ISLAND IDOL

ROCKS

Join us for *Island Idol*, an inspiring night of teen performances for the Middle Country community. Now in its 12th year, this special community event sponsored by King Kullen, the Friends of the Middle Country Public Library, and the Allstate Foundation is held each summer to watch talented solo artists and music groups perform music spanning

many genres. Entertainment is provided throughout the night by teen emcees acting and singing between performances, and by the MCPL Teen Advisory Council offering fun games and crafts appropriate for all ages. This year the library will be hosting *Island Idol* on Friday, July 17, 2015 from 6:00 p.m. – 10:00 p.m. in Centereach. Audition applications are available online or at any reference desk; performers may submit applications beginning Friday, June 12th through Friday, July 3rd.
